# Activated Charcoal

---

## SOAP

### Activated Charcoal soap Marker Challenge!

- This soap cleanses so well you can wash off Sharpie markers with it!
- Glycerine soap with charcoal and tea tree provides a thorough clean. It works great on oily skin, seriously filthy hands, feet and also a perfect deodorizing hand or shower soap
- DEMO: Draw with a sharpie on hand, wrist or even face if you feel fearless and use a dark-colored wet washcloth
- Rub on the soap bar and then gently scrub off the marker, it works!
