

## TONE & FIRM SERUM WITH PINK GRAPEFRUIT ESSENTIAL OIL

Embrace cutting-edge anti-aging ingredients with Tone & Firm Serum! Three powerful ingredients - peptides, caffeine, and pink grapefruit essential oil- combine to tone, firm and brighten your skin. You will see a notable difference in as little as two weeks!

### KEY INGREDIENTS

- ✦ Peptides: Produce collagen, strengthen microcirculation and increase cellular communication.
- ✦ Pink Grapefruit Essential Oil: Helps your body work efficiently so that it can flush out toxins and waste from all your cells, which will lead to better skin. It is also a source of antioxidants which fight free radicals that can cause lines, wrinkles, discolorations and other blemishes on the skin.
- ✦ Green Tea: Green Tea contains beneficial vitamins such as B2 and Vitamin E, and minerals to support healthy skin and cell regeneration
- ✦ Caffeine: It dehydrates fat cells, making the skin smoother and younger in appearance.

### BENEFITS AND SUGGESTED USES

- ✦ Apply all over face, neck, and décolletage.
- ✦ Unique multi-peptide complex with Vitamin C and watermelon extract work at the cellular level to improve the health and appearance of skin.
- ✦ In clinical studies, peptides are shown to increase overall collagen by 117% and increase skin moisturizing synthesis by 267%. \*
