Say YES – A Fresh Face Starts with Fresh Products

At Jordan Essentials our belief is that everyone deserves healthy skin—and joyful, healthy lives. When you say YES to Jordan Essentials products, you are saying YES to ingredients like magnesium, essential oils like lavender, purifiers like charcoal and rich moisturizers like shea butter.

Our products are made in fresh batches right in Nixa, MO. Delivered fresh from our manufacturing center to your doorstep!

IT'S ABOUT WHAT WE DON'T PUT IN OUR PRODUCTS

And just as importantly, you will be saying NO to aluminum, parabens, mineral oil, SLS/SLES, gluten and phthalates that are found in many, if not most, bath, body and skincare products today.

Pre-Party Post

We will be talking more about our No No list throughout the party and why these ingredients made the list!

Why is what's in our products so important?

For two key reasons:

1. Our skin is our largest organ and what touches our skin affects all of our organs.
2. It takes just 26 seconds for what touches our skin to be absorbed into our bloodstream. The harmful effects of many chemicals used in skincare products are scary! And many include ingredients that prematurely age us or dry out our skin.

Jordan Essentials' products use healthy, nontoxic ingredients combined to provide safe, healthy alternatives to their chemically-laden counterparts.

Our skin is our largest organ & what touches our skin affects all of our organs.

The Product that Started it All!

The Lotion Bar is a solid bar of lotion. It is made with beeswax to seal in the moisture and bonus – it doesn't harbor bacteria – naturally!

Jordan Essentials is also fresh batch manufacturing. Meaning we are not mass-producing lotion bars that sit on a shelf for years!

They are hand-poured in our facility right here in Nixa, MO and then delivered right to you!

No cargo ships on the open seas for these!

<p>Joyful Jordan Box</p> <p>This month the Lotion Bar is one of the products featured in our Joyful Jordan Box. This box contains amazing and often exclusive products each month at a savings!</p> <p>It is a great way to try new products and fall in love with JE.</p> <p>My monthly subscribers enjoy getting the box with FREE shipping. You enjoy only the healthy benefits of the essential oils and healthy ingredients in JE products!</p>	 <p>JORDAN ESSENTIALS</p> <p><i>Summer Citrus</i></p> <ul style="list-style-type: none"> ESSENTIAL OIL SPRAY Boost your summer cheer with Orange, Lime and Lemon essential oils. Spray yourself or your surroundings for a fresh summer scent. ESSENTIAL OIL LOTION BAR Solid bar of essential oil lotion. It's moisturizing, safe, healthy and handy. Simply open the tin, place the bar in your hands and rub on for smooth and soft skin. ESSENTIAL OIL GLYCERIN SOAP Wonderful summer scent and benefits with a glycerin base make a gentle effective hand and body soap that is great for shaving as well.

Speaking of Plant-Based Goodness...

Glycerin is a healthy, effective ingredient that is plant-based!

Plant-based 🌿 glycerin soaps, shampoos, and body washes can help lock in your skin's natural moisture and prevent over-drying. This is very important during the warmer summer months!

JE Glycerin Soaps do not use harsh chemicals, which are often detergents!

In addition to helping hydrate skin, glycerin is also non-greasy. It is an ideal choice for those with normal, oily, or combination skin. 🛁

🧼 It is safe for facial use and may help even out skin tone and reduce the appearance of fine lines and wrinkles.

A special bar of CHEER glycerin soap is also in this month's Joyful Jordan Box!

The advertisement is split into two main sections. The top section features the 'Glycerin Soap' title in a large, elegant script font. Below the title, a pair of hands is shown being washed with soap suds. To the right, two bars of soap are displayed: one labeled 'DEAD SEA SALT' and another 'OATMEAL MILK & HONEY'. The text 'Natural, Plant-based Soaps' is written in a light blue box. The bottom section shows a 'Joyful Jordan AUGUST' box. The box is white with floral patterns and contains several items, including a bar of 'Summer Cheer' soap. A yellow circular badge indicates a price of '\$25' with a value of '\$36.50'. The text 'Boost your summer cheer with the uplifting scent of citrus!' is written below the box. The box itself has a blue banner that says 'Hey There!'.

The Third Item – Room & Body Spray

Yes – a room spray that can be used as a body spray too! CHEER is perfect for a room spray – doggy odor, kitchen smells, musty, dusty spaces – be gone with Summer Cheer!

But...the healthy, non-toxic ingredients also mean it is a refreshing body spray too. One of the key ingredients is witch hazel.

 Extracted from the bark, leaves, and twigs of a North American shrub with the same name, Witch Hazel has been used for hundreds of years for a wide variety of skin issues including acne, bruises, insect bites, poison ivy, burns, and more. Given its effectiveness and versatility, Witch Hazel can be found in Jordan Essentials' Essential Oil Sprays, Toner Mist, Acne Support Gel, and Spritz Your Pits Deodorant Spray.

It is soothing, moisturizing and calming to the skin!

Sloughing off old skin helps to promote new skin cells and reveals the vibrant, healthy and glowing skin below.

Exfoliating can be done daily with oily skin, weekly with normal skin and biweekly for those with a dry skin type.

Safe, eco-friendly ingredients are used in our exfoliants.

Mask up for An At-Home Spa Treatment

Like with exfoliating, how often we masks depends on our skin type. We have two amazing masks that not only remove the toxins from our face, they can be used on our “pits” and feet too!

Purifying Charcoal is a natural way to cleanse and clear pores. It is great for those with oily skin.

Detoxifying Clay Mask will leave your face dewy soft. Bentonite clay pulls pollutants and toxins from your skin leaving it radiant and healthy.

A little More about Charcoal

🍌 Not to confuse charcoal used for grilling during the summer, Activated Charcoal is super-absorbent, detoxifying, purifying, and offers many benefits to the body and skin. 🌿

Jordan Essentials uses Activated Charcoal in many of our products including our Activated Charcoal Soap. Gentle enough for our face and strong enough to remove permanent marker!

(Suggestion: go live with a mask or the marker challenge here)

Super Charge with Toner Mist

Toner Mist is like vitamins for your face. It is a hydrating and moisturizing for all skin types.

We feel it is so important it is included in all of the Face Care Collections.
(Remember...this month FREE Shipping on those collections!)

OPTIONAL

It is also excellent for use under protective face masks.

Spritz your face, let it set and absorb in before wearing a mask. Then, spritz again when you take off your mask for adding back in the moisture that has been pulled from your skin while wearing the mask.

Toner Mist is a must have all year long. It is nourishment our skin needs! It contains one of my favorite ingredients – Witch Hazel!

Boost with a few drops of orange essential oil for a soothing and uplifting feel or tea tree essential oil for acne prone skin.

Hydrate from the inside to the outside!

Healthy skin not only comes from what we put on the outside, it comes from what we put inside too!

Be sure you are staying hydrated with water every day...and especially during the warmer months when you are losing water (sweating!) naturally.

Hydrate the Outside!

Moisturizing is the final step in our healthy face care routine. There are several options here depending on your skin type and your lifestyle.

We offer deep moisturizers, daily moisturizers, acne/oily skin moisturizers. We also have both a Tinted Moisturizer and BB Foundation for color.

You may want to do a mix-and-match with moisturizer. Choose your System (FREE Shipping!) for your night or weekend moisturizer and add on one of the mineral makeup moisturizers for day use.

Just the Right Shade

Our Mineral Makeup offers moisturizing with color! Each is available in 9 shades so we can find the best match for you!

Both use natural minerals that provide a natural SPF for sun protection year-round.

BONUS Step

Speaking of Hydration and Moisture

Serums provide the much-needed moisture and nutrients to keep your face looking and feeling its best.

Jordan Essentials offers three amazing serums to help reduce the appearance of fine lines and wrinkles.

Time Rewind Eye Gel: This serum is made for those thin skin layers around our eyes but can be used anywhere! The cooling gel feels great and should be applied with a light touch.

Tone & Firm Serum: This serum is light and smells like grapefruit! It contains peptides that work hard to repair the skin's structure in just one to two pumps daily.

Age-Defying Serum: This serum works to balance the pH in our skin to keep it bouncy. It is perfect to use before applying makeup and will leave your skin feeling soft and dewy.

Your choice of serum is included in the Premier and Everyday Systems for Normal, Oily and Dry skin.
