

## EXPERT TECHNIQUES FOR FLAWLESS MINERAL MAKEUP

### 1. PREPARE: BASIC SKIN CARE SYSTEM

Prepare your skin with the Basic Skin Care System and Serums. Prime your skin with healthy cleansing and moisturizing; this will help your makeup go on flawlessly. Make sure your face is dry.

### 2. TINTED MOISTURIZER

Dot the Tinted Moisturizer on forehead, chin, nose, and either side of the nose. Blend and smooth over skin.

### 3. CONCEALER: MINERAL MAKEUP

Wet the Mineral Powder on either your fingers or on the JE Concealer Brush and apply to your face. Blend under eyes and over any imperfections. Allow skin to dry.

### 4. MINERAL MAKEUP

With the large JE Makeup Brush, dust Mineral Makeup Powder around your face beginning at your forehead. Use large sweeping strokes back and forth. All shades should match your skin perfectly and may be accomplished with blending two shades. (Example: #2 Tinted Moisturizer and #3 Mineral Makeup)

### 5. LIPS: LIP GLOSS OR LIP BUTTER

Finish with Lip Gloss or Lip Butter for a healthy, natural Jordan Essentials face!
