Definition of Active Jordan Essentials Consultant

The term Jordan Essentials (JE) Independent Consultant or "Consultant" includes all levels in our compensation plan of active Consultants. For purposes of this document we will use Independent Consultant or Essential Consultant unless otherwise noted.

- Must be at least 18 years of age
- Maintain active status in good standing
- Complete the Jordan Essentials Consultant Application and Agreement
- Receive approval as an Independent Consultant by Jordan Essentials
- Read, understand, and agree to abide by Jordan Essentials' Policies and Procedures and Marketing Plan
- Must have the right to work in the United States

Status as an independent contractor - Claims of Employment

Consultants are not agents, employees, or legal Consultants of Jordan Essentials or any other Jordan Essentials' entity. Consultants will not represent in any manner that they are agents, legal Consultants, or employees of Jordan Essentials or those of its related entities. Consultants have no authority to legally bind Jordan Essentials or its affiliates, officers, directors or employees.

Consultants must be at least eighteen years of age and thus of legal age in the state of their residency. Consultants are independent contractors, responsible for their own business activities and are solely responsible for the payment of income tax, Social Security tax, and all other applicable taxes. If you are an employer, your personnel will not, for any purpose, be considered employees or agents of Jordan Essentials. You shall be solely responsible for their supervision, daily direction and control, payment of salary (including withholding of income taxes and Social Security contributions), workers compensation payments, and disability benefits in compliance with all other laws applicable to employers.

CONFLICT OF INTEREST

Consultants may represent more than one direct sales company until they reach the level of Diamond Director.

Jordan Essentials will have a very low tolerance for breaking the following guidelines, and the Consultant in violation may have their account suspended or terminated.

Essential - Director Level Consultants may now represent more than one direct sales company of any nature when following these guidelines:

- Consultants who represent more than one company may only represent Jordan Essentials at company-sponsored events such as conventions or incentive trips.
 - For example: Wearing other company logo wear, water bottles, or blatant use of merchandise to showboat your other opportunity to elicit conversation about your other company is against policy.
- The following are outside the guidelines:
 - Speaking to attendees about your other companies' products or business opportunities. For example: Talking about your compensation plan compared to Jordan Essentials' compensation plan to attendees. Showboating an income or comparison in any way with another company

- Handing out samples of the other company's products or services
- Selling the other company's products/services at company events and incentives.
- No Soliciting business and recruiting at company events. For example: On an incentive trip, you have a weight loss product, and someone says they wish they could lose weight. It is **not** acceptable to approach them with your product or recruit them for your company.

Consultants representing more than one company may not private message or begin solicitation conversations with Jordan Essentials Consultants about products or services unless asked to do so by the individual. They cannot be solicited.

Example: You have a social post about a product or opportunity and someone asks you for more information. Acceptable.

You may not pm (private message) people asking if you can send them more information. Not acceptable.

Consultants may post about more than one company in their VIP groups or business pages provided they are clearly named and include "Independent Consultant". Example: A consultant may not name a group or page "Jordan Essentials with Betty" if she is representing more than one company on the page or group.

Consultants may represent more than one company at vendor events provided it is approved by the event. They must clearly represent the name of the both. (See example above.)

Diamond Directors and Higher

Jordan Essentials strives to protect the integrity of the company and our leadership. Diamond Directors and higher cannot be a Consultant for or represent or advertise/ promote another competing product, product line, MLM or Direct Selling organization. This includes promoting of another product or business opportunity. Promotion of said materials including photos, verbal, written, social media, and mailings or at local events or parties are prohibited. The Leader will be contacted by the Code Compliance committee and may have her account frozen. Non-compliance will result in the loss of her team and possible termination of her distributorship.

Multiple Consultancies

A Consultant's household can have only one Independent Consultant status per married couple.

ACTIVE and GOOD STANDING CONSULTANT STATUS QUALIFIER

Active Consultant: To be considered active, a Consultant must maintain their website technology fee. It can be paid per month, per 6 months or annually. New Consultants are considered active in their first 3 months with the website technology fee included in their enrollment.

A Consultant must be active in order to be able to login and place orders in the back office. The replicated website will be available for customer to purchase from. Personal Volume and Commission Volume will apply for the consultant as well as the upline.

Inactive Consultant: Consultants without a website/technology fee are considered inactive. Inactive consultants forego receiving retail profit from orders placed on their website by customers. Inactive Consultants do not have access to their back office. They are not eligible to place consultant orders through their back office.

Good Standing

A Consultant is considered to be in Good Standing when they have a rolling 12 month personal volume of \$200.

For consultants who joined prior or October 1, 2024, their rolling 12 month period starts October 1, 2024. For those joining after October 1, 2024, their rolling period starts on their enrollment day.

Consultants who are not in good standing will convert to customer status and their customers will roll up to their sponsor.

Not In Good Standing

A Consultant who has not reached \$200 in PV over the rolling 12 months will be considered not in good standing and will be compressed.

A consultant who has been converted to a customer will be allowed to return to JE and purchase a new enrollment kit and choose a new sponsor after 90 days of being compressed from consultant status.

Consultants may only reenroll a maximum of 3 times in their lifetime and no more than 1 x in the same year.

Inactive Consultants who rejoin do not maintain any previous title or downline Consultants. By rejoining they are eligible for Jump Start rewards. Inactive Consultants can join under any active Consultant as their sponsor.

Leadership Title Maintenance Star 3 and higher levels: Must meet all Active Consultant qualifications plus achieve their Career Title once per 6 months.

Leaders (Star 3 and above) who are not paid at title for six consecutive months will drop down one level every 6 months.

Diamond and Higher: Must qualify "paid as" Director or higher every rolling six months and paid as title level one time annually. Example: Kim promotes to Diamond Director in May. She does not achieve at least paid as title of Director in 6 months she will become a Director in month 6.

Sarah is a 2 Diamond Director and she is not paid as a Director or higher in 6 months, she will become a Diamond Director in the 6th month.

DOWNLINE ANNUAL POLICY

To keep any downline, Consultants must have a minimum of \$400 PV in a rolling 12-month period. If they fail to meet this requirement in any 12-month period, they will have their team reassigned to their sponsor.

Once a downline has been moved, it cannot be reversed.

CONSULTANTS WHO WENT INACTIVE, BUT JOINED PRIOR TO AUGUST 2017

Prior to August 2017, Jordan Essentials' policies did not require one order in a 12 month period to remain active. Consultants who joined prior to August 2017 and went inactive may contact the home office to be placed back into their sponsor's downline without repurchasing the kit. In this case, the Consultant will maintain their previous Consultant number and be required to meet all active status qualifications set forth after August 2017. They are not eligible for any new Consultant benefits. **Consultants may only be reinstated one time.**

Alternatively, inactive Consultants can rejoin by purchasing the Starter Kit. In this scenario, the Consultant will receive a new Consultant number and be eligible for all new Consultant rewards as outlined in the JumpStart program and be considered a new Consultant/recruit for their sponsor.

Inactive Consultants who become active again or who rejoin do not maintain any previous title or downline Consultants.

RETURNING CONSULTANTS

A consultant will be allowed to return to JE and purchase a new enrollment kit and choose a new sponsor after 90 days of being inactive in the system.

Consultants may only re-enroll a maximum of 3 times in their lifetime and no more than 1 x in the same year.

SPONSORSHIP CHANGES

Consultants who choose to change sponsors will need to resign and terminate their Jordan Essentials account. They may not return any inventory for refunds. After 90 day, they may re-enroll with a new sponsor.

Consultants will not be reassigned to another sponsor and must remain in the genealogy placement that was original to them.

NAMING YOUR INDEPENDENT CONSULTANT POSITION

The name of a Consultant position is determined by the name identified on the Consultant Agreement, usually a person's first and last name. Consultants may not use the name of Jordan Essentials without adding their name and status with the company; for example: Kim Smith,

Jordan Essentials Consultant. No other name may be used in conjunction with a Consultant's business.

IDENTIFYING THE RELATIONSHIP BETWEEN CONSULTANT, ASSOCIATION, OR TRAINING CENTER AND JORDAN ESSENTIALS

Subject to the advertising and promotion section contained herein, a Consultant or association may utilize the Jordan Essentials name when referring to a Consultant business or association provided that the Consultant's status appears immediately next to or below the name of the Consultant or association. The complete name must be used at all times in connection with Jordan Essentials-related activities (including the creation of a corporate name or D.B.A., hotel reservations, Chamber of Commerce listings, etc.). Use of the Jordan Essentials' name or branded phrases such as "Healthy Skin Healthy Life" or "Joyful Jordan Box" by an individual or group of Independent Consultants without properly identifying themselves as such is strictly prohibited. This includes email and Facebook pages. Examples of incorrect use: jordanessentials@gmail.com, Jordan Essentials – simply the best on Facebook. Correct use would be Kim Smith, Jordan Essentials Consultant.

PARTY TYPES & RETAIL PARTY SALES

What counts toward Retail Party Sales?

- Customer orders that are placed on the party, not including the \$5 monthly customer special.
- A Host may place an order as a party guest and that order will count toward the Retail Party Sales.

Host Reward Credits, including Half-Price items, \$5 customer specials, Booking Rewards, and Monthly Host Specials do NOT count toward the Retail Party Sales.

Recording Customer Information

It is crucial to understand that the purpose of a party and its associated rewards is to incentivize hosts to introduce new customers to our consultants through either in-home or online formats. Parties (in-home or online) hosted by consultants are intended to kick-start or rejuvenate their businesses rather than serve as a means to collect orders without genuine customer engagement and are void of a party.

To streamline the ordering process and enhance customer satisfaction, it is required that each customer's information, including name, email, and phone number, is accurately recorded in the party portal to facilitate order tracking and receipt issuance directly to the customer.

1. All party sales must be accompanied by a valid customer and email address for each transaction.
2. For parties with three or more guests, each guest must be a non-consultant with accurate contact information, including name, email, and phone number. For self-hosted parties, the consultant may place one order on the party.
3. Similarly, for parties with eight or more guests, the same requirement applies including name, email, and phone number to ensure the validity of the guest list.
4. Consultants hosting self-hosted parties are required to adhere to these guidelines.

Failure to comply may result in the nullification of party orders, with associated host rewards charged to the consultant's account if the party is deemed invalid. The Consultant will be contacted to remedy the missing information and allow correction or cancellation of the party.

What items are non-commissionable? (Meaning they do not count toward PV or WV for commissions, points, or rewards.)

- The \$5 Monthly Customer Special
- The Monthly Host Special
- Host Rewards, including free and Half-Price Items earned
- Booking Rewards
- Sales Tools including catalogs, samples, logowear and website fees
- Events
- Gift Certificates

What types of parties are there and which parties qualify for Host Rewards?

JORDAN PARTY: Also referred to as a party, a Jordan Party at Home is an event usually held in a Host's home with her friends and family in attendance where a Consultant shares Jordan Essentials products and opportunities. To be eligible for host rewards, the party must have a minimum of \$200 in Retail Sales and 3 customer/guest orders.

JORDAN VIRTUAL PARTY: Also referred to as a Facebook Party, Jordan Virtual (online) Parties involve a host and a virtual presentation of Jordan Essentials' products and opportunities by a Consultant. Facebook Parties are held online at a scheduled time and can include product posts, pre-recorded videos, live presentations as well as games to be played with the guests. To be eligible for host rewards, the party must have a minimum of \$200 in Retail Sales with 3 customer/guest orders.

Consultants may also host their own Jordan Parties at Home or Jordan Virtual Parties at any time. For more information on Jordan Parties at Home and Jordan Virtual, go to Jordan Party Training in JE University.

LAUNCH PARTY: New Consultants can host a LAUNCH Party as their first Jordan Party and enjoy the host rewards and JumpStart rewards. To be eligible for host rewards, the party must have a minimum of \$200 in Retail Sales and 3 customer/guest orders.

MYSTERY HOST: This is a party where various people are invited or orders are collected by various people and one of the guests enjoys the host credit. Consultants submit the collected orders as a *Party* and give the host rewards away. Rewards are earned when the party reaches a minimum of \$200 in Retail Sales with 3 customer/guest orders.

CATALOG SHOW/PARTY TO GO/JORDAN PARTY TO GO: A host collects orders and shares information about JE products with her friends and family. They typically share catalogs and order forms and/or an online party link. To be eligible for host rewards, the party must have a minimum of \$200 in Retail Sales with 3 customer/guest orders.

VENDOR EVENTS: Vendor events, craft fairs or organized events are not considered a party. Orders place under the Vendor Party Type qualify for several host rewards. They do not qualify for booking rewards.

Host Rewards Chart (See current catalog for rewards.)

To be considered a qualified party, a party must have a minimum of \$200 in sales and three customer/ guest orders. The host order, excluding her host awards order, may be counted as one of the three orders. Consultants may not place orders on parties to qualify as one of the three orders. Likewise, for the 8 is Great Reward. Consultant orders placed on a party will not qualify as one of the 8 orders.

If the Consultant is the host, such as in a launch party, they will need the 3 guest/customer orders to qualify as a party. Consultant orders may not be counted as one of the three orders.

If a customer places an order that was intended to be on a party but does not attach it to that party, the customer needs to contact customer service directly and request the order be moved to the party. Due to privacy policies, Consultants may not request the move on behalf of the customer.

For parties eligible for Host Rewards, hosts receive the following benefits based on the Host Rewards Chart:

Free Products

Value of free product credit earned is based on Retail Party Sales.

Half-Price Sales Volume Bonus

The Number of Half-Price items earned is listed on the Host Rewards Chart and is based on Retail Party Sales. Half-Price items must be redeemed on the Host Award Order prior to the party closing. The Half-Price item(s) will not add to the party total and is not commissionable. Hosts can select any item or bundle in the catalog as their Half-Price reward.

Monthly Host Special

Hosts with \$500 or more in Retail Party Sales can select to receive the Monthly Host Special for a discounted price. Hosts with more than \$800 in qualified party sales may choose the Host Special for free.

Half-Price Booking Bonus

Hosts will earn a Booking Bonus Half-Price Coupon for EVERY party that is booked from their party when the following requirements are met:

1. Their party qualifies with \$200 in Retail Party Sales within 60 days of the original party holding date.
2. The bookings are entered on the original party before it closes. Vendor Events do not count as a booking. Bookings must be with a host who intends to hold an in-home, online, or catalog party.
3. The booked party reaches \$200 in Retail Party Sales.

Booking coupon codes can be redeemed online through a Consultant's Personal Replicated Website. To redeem the coupon code on a party, it must be entered as an order through the Party Link/Party URL. It cannot be redeemed through the party portal in the back office.

Shipping on Host Award Orders

Host Award (Rewards) orders with more than \$400 in qualified sales will ship for free. Items purchased not using host rewards will be charged shipping.

CONSULTANTS ACTING AS HOSTS

Consultants are eligible for all host rewards when they host a party. In order to qualify for Half-Price Booking Rewards, a Consultant may be the original host, but they cannot list themselves as a booking. Consultants cannot at any time list themselves as a booking to receive booking rewards for themselves or another host.

Moving of Customer Order to a Party

If a customer placed an order and did not use the party link, the customer may request the order be moved to the open party. The original intent from the customer must be sent in a timely fashion (customercare@jordanessentials.com) and shipping will not be allowed to change.

A customer can also cancel their order and place it on the proper link if additional changes are needed.

The Consultant may not make the request for the customer. Closed parties cannot have any movement of orders.

Host and Customer Specials

Host and Customer Specials are valid for the current month only. If your host or customer wants the special for the current month, the party must be closed in the current month.

For example, if a customer or host wants the November specials, the party must be closed in November. If the party is closed in December, the December specials will be given.

(If a customer pays for a party order with ship to host/customer, the party must close that month to honor those specials. If the party will not be closed during the month held, we suggest the guest place their order through the party link and ship direct to customer.)

ONLINE BUSINESS RESOURCES

All Jordan Essentials Consultants receive access to an Online Business Center as long as they remain active. Login information is emailed to Consultants when they enroll. Go to www.jordanessentials.com, click on Consultant Login and enter your Consultant ID and password to place orders, submit parties, and view information related to your business.

Active Consultants also receive access to Jordan Essentials University, also known as JE University or JEU. JEU is a free training site where Consultants can access tips, tutorials, monthly specials, and marketing resources for their business.

WEBSITE/TECHNOLOGY RENEWAL

The web/technology subscription is provided for all Jordan Essentials' Consultants. It is included in their enrollment package for the first 3 months in the company. You may continue to enjoy the website/technology after the initial three free months with an autoship of \$10.00 per month.

Bulk purchasing of 6 months or 12 months is available.

The website/technology subscription is not prorated. The subscriptions are processed monthly beginning the 3rd month after Consultant enrollment date. This renewal is automatic unless paused in the back office. Consultants pausing the website technology fee are considered Inactive. Inactive consultants are not able to access their backoffice and forego retail profit from orders placed by customers on their website.

Section 2: Online Advertising, Marketing and Promotion

All online advertising, marketing, and promotion are to be done in a truthful manner and not perceived as deceptive. Jordan Essentials will be the final determiner if an ad is deceptive or harmful, regardless of intent.

You cannot add any sales banners or website links to your personal replicated website.

YOUR WEB STORE—REPLICATED PERSONAL WEBSITE:

You have been supplied with a replicated website for free for your first 3 months in business. After the first 3 months, the monthly cost is \$10.00. The system will automatically process the payment used for your enrollment as the payment for your website unless the recurring order is deactivated.

A personal replicated website means the site is hosted by Jordan Essentials and allows you to have a web store and personal home page. You are responsible for the content of Consultant Information page. Your page may be discontinued due to inappropriate content and may not have the content or information of any other direct sales company or opportunity. This site is the only authorized site to sell your Jordan Essentials products.

UNSOLICITED E-MAIL SPAMMING/MASS E-MAILING:

You are not allowed to transmit mass, unsolicited emails to promote Jordan Essentials, its products or the business opportunity to people you do not know or who have not given you permission to contact them. You are allowed to add customers and contacts to your list when they have given you permission.

INTERNET PRIVILEGES:

Internet privileges provided by Jordan Essentials to its Consultants are discretionary and proprietary. These privileges include being listed as an active choice on the Consultant Locator area of the corporate website, allowing customers to make internet purchases from any Consultant which meets eligibility requirements.

Additional features of the JE Online Business Center and JE University include:

- Subscription to the company news
- Access to the document library
- Online order center
- Access to down-line reports and genealogy
- Access to sales literature and sales tools
- Corporate training

Consultant Locator:

Active web subscriptions at \$10.00 per month will allow customers to find their Consultants web store by searching their Consultant's name.

From time to time a person who doesn't have a Consultant will go to the www.jordanessentials.com main site to shop or look for a Consultant. That person will go to the group that has been designated for the time frame to receive those leads. It is the discretion of Jordan Essentials to set the company lead system. The guidelines for the lead system may change from time to time.

Find a Consultant: Guests can find a Consultant using the "Find My Consultant" feature.

Search by name: This option has all of our Consultants who have a web subscription (paying \$10.00 a month or bulk subscription) or new Consultants in their first three months. The assumption is your customer knows your name. The first three letters of your first and last name are required for searching.

Special programs, promotions, AND ACHIEVEMENT AWARDS:

Jordan Essentials may from time to time establish special programs or promotions. The Consultant must meet the requirements of that program to receive the promotion. JE reserves the right to substitute a like item.

Recipients of special achievement awards designed to be awarded at the annual convention must be present at Jordanvention to receive rewards.

Manipulation of Achievement Awards:

Bonus buying or fabricating orders or new Consultants is strictly prohibited. JE reserves the right to audit all incentive and commission programs to ensure that rank advancement, incentives, prizes, commission, and/or bonuses were driven by bona fide product purchases by end user consumers. Manipulating Business Policies or misrepresenting Jordan Essentials may result in the loss of earnings and awards and potentially lead to the termination of your Consultant Agreement.

Promotion Pinning Qualifications:

Consultants who promote to Star 3 or higher for the first time will receive a Career Title pin in the mail to congratulate them on their achievement. Pins are mailed out once a month to recognize promotions from the previous month.

Those who promote to Star 3 or higher for the first time are also recognized at our annual convention. They will walk across the stage based on their Career title. You must attend Jordanvention to receive this recognition. The recognition will be based on the highest title you achieved in the convention year as long as you still hold that title as of July 1.

For example, if Susan promotes to Star 3, then Associate between June 1, 2019, and May 30, 2020, and she still has the Career Title of Associate as of July 1, 2020, she will receive recognition for promoting to Associate Director at Jordanvention.

If Susan promotes to Associate Director for the first time in September, but demotes to Star 3 in May and does not repromote to Associate by June 1, Susan would not be recognized as an Associate at convention, because she did not hold the title as of June 1.

If Susan does repromote to Associate after Jordanvention and holds that title the next year, she must submit a request for recognition to customercare@jordanessentials.com no later than June 1 in order to receive convention recognition since the system does not track demotions or who had an opportunity to walk at a previous convention.

An email to customer care is also required if you promote to a new level, but demote to a lower level that is still higher than you have been recognized at a previous convention. If you believe you fall into this situation, you must email customer care no later than May 31st and your promotion and career title will be reviewed.

Recognition requests will not be accepted after May 31st..

Endorsement of special interest groups, organizations:

Consultants are free to endorse, support, and participate in any lawful group, cause, or organization of their choosing, and may do so in connection with their Jordan Essentials business as long as they represent themselves as an Independent Consultant. A Consultant may sponsor individuals or teams (e.g., youth sports teams, softball teams, soccer, etc.). However, with respect to such sponsorships, only the Independent Consultant logo may be used. Usage must be within the guidelines as established “Advertising and Promotion” section of the Policies and Procedures.

Advertising and promotion:

Jordan Essentials encourages its Consultants to promote Jordan Essentials’ products and the Jordan Essentials’ Opportunity. The following rules provide a positive guide for all Consultants to promote ethical marketing practices and to avoid jeopardizing the integrity and reputation of Jordan Essentials and its Consultants.

USE OF JORDAN ESSENTIALS AND/OR ITS SUPPLIERS' NAMES, LOGOS, OR TRADEMARKS:

Consultants understand and agree that they will not use the Jordan Essentials' name, trade names, logos, copyrighted material, trademarks, or service marks (the proprietary materials) of Jordan Essentials or any of Jordan Essentials' related entities. Unauthorized user duplication of the proprietary materials is strictly prohibited and subject to penalties under law. Unauthorized use is subject to revocation at the sole and absolute discretion of Jordan Essentials.

Do not use the official Jordan Essentials logo or official corporate property for any reason to promote the business without identifying yourself as an Independent Consultant. Any advertising that implies you are the corporate entity will need to be removed immediately.

Consultants are given approval to use the official Jordan Essentials Independent Consultant logo only for limited use on business cards, letterhead, envelopes, flyers and print advertising that conform to the DSA Code of Ethics Section A. Paragraphs 1, 2, & 5 which are copied below.

1. Deceptive or Unlawful Consumer or Recruiting Practices

No member company of the Association (ex. Jordan Essentials) shall engage in any deceptive, unlawful or unethical consumer or recruiting practice. Member companies (ex. Jordan Essentials) shall ensure that no statements, promises, or testimonials are made which are likely to mislead consumers or prospective salespeople.

2. Products or Services

The offer of products or services for sale by member companies of the Association (ex. Jordan Essentials) shall be accurate and truthful as to price, grade, quality, make, value, performance, quantity, currency of model, and availability. A consumer's order for products and services shall be fulfilled in a timely manner.

3. Identification and Privacy

Sellers (ex. Independent Consultants) shall truthfully identify themselves, their company, their products, and the purposes of their solicitation to the prospective customer. Contact with the consumer shall be made in a reasonable manner during reasonable hours to avoid intrusiveness. A demonstration or sales presentation shall discontinue upon the request of the consumer.

The above paragraph states that you can use the Independent Consultant logo on your flyers and/or advertisements. In addition to the DSA Code of Ethics, the Federal Trade Commission does not allow unsubstantiated earnings claims.

If the official Jordan Essentials' Independent Consultant logo is not used on business cards, letterhead, envelopes, and flyers, then the Consultant must clearly identify herself/himself as a Jordan Essentials Independent Consultant.

The above paragraph states that it is not necessary to use the Jordan Essentials Independent Consultant logo if clear identification as an Independent Consultant is used on all printed materials.

Additionally, Consultants may not create for sale any sales tools, ad specialty, novelty items, or promotional materials (such as t-shirts, key chains, coffee mugs, car decals, banners, or any other similar type items) in connection with their Jordan Essentials' business. Special permission may be granted to Directors for team and training events to use the Jordan Essentials' name (not logo) when requested in writing prior to the event. Occurrences will be limited and approved on a per case basis at the sole discretion of the Corporate Office Management Team.

MEDIA INQUIRIES AND PERSONAL APPEARANCES BY INDEPENDENT CONSULTANTS AND CONTRIBUTION TO UNCOMPENSATED MEDIA:

All media relations must be coordinated through the Jordan Essentials' Marketing Department. Any Consultant who is contacted by the media or wishes to contact media must first contact the Jordan Essentials Marketing Team before taking any action and/or issuing a statement. Any communication with TV, radio, and print media should first be approved by Jordan Essentials.

ELECTRONIC MEDIA:

Radio, television, and/or cable advertising must be in conformance with the guidelines contained in the current Policies and Procedures guide and is not permitted without prior review, approval, and written consent of Jordan Essentials. Review of these materials may include, but not be limited to, a judgment of the content, aesthetic quality, and professionalism of the materials as well as ensuring that the independent status of the Consultant is properly set forth. JORDAN ESSENTIALS FACEBOOK PAGES & GROUPS

The Jordan Essentials Facebook Business Page located at www.facebook.com/jordanessentials, is for all of the Consultants' family, friends, and downline to enjoy. The purpose is to share ideas, tips, skin care, specials, and to recognize and celebrate. At times a person may come to the fan page and request information about purchasing or joining. They should be directed to www.jordanessentials.com to find their sponsor or use the Consultant locator.

Consultants will not be allowed to post their personal data on the Fan Page or advertise on the Fan Page. Fans on the Jordan Essentials' Corporate Fan Page most likely already have a friend or family member that is a Consultant. This policy is a courtesy in the JE family of Consultants.

Jordan Essentials Corporate Facebook Groups include:

JE Consultant Community - www.facebook.com/groups/jeConsultantcommunity

The Jordan Essentials' Consultant Community is a place where Nancy, the Home Office Team, and Consultants share ideas, encouragement, celebration and empowerment. We share current information, tips, reminders, and live broadcasts that are relevant to your business, including Monday Night Live training on the 2nd and 4th Monday of each month. Replays of Monday Night Live are available in the group and in JE University in the Video Library. Consultants of all levels are encouraged to join and stay connected to this group. Share your success stories, testimonies, and ideas because together we are stronger!

For product issues, shipping questions, errors and other customer service needs, please submit a support ticket in your back office. Customer service related posts may be removed since a support ticket is required for the best service in resolving those issues.

Discover JE - www.facebook.com/groups/discoverje

This group is 100% focused on guests who want to learn more about our company, culture, community and life as a JE Consultant. Consultants are welcome to join and encouraged to invite potential Consultants or guests to this group. In addition to the information shared here by the Home Office Team, Consultants can share testimonies of what they love about our products, programs, and being a Consultant with Jordan Essentials. Questions related to business or customer service should not be posted in Discover JE. Irrelevant or inappropriate posts will be removed.

Consultants should only invite guests to join their team if they personally invited them to the group since guests in Discover JE are typically invited by a JE Consultant. Guests who join the group without a Consultant should be directed to customer support to be added to the lead system. This policy is a courtesy in the JE family of Consultants.

Leader Groups & Focus Groups

Other Facebook Groups are available for various leadership levels, specific programs, and focus groups. Groups may have an open invitation or may be by invitation only. Violations of ethics, behavior, suspension or investigations may cause a leader to be removed from all groups temporarily or permanently even if they are still an active Consultant.

SECTION 3: PRODUCT GUARANTEES AND RETURNS

PRODUCT RETURNS/REFUNDS AND EXCHANGES:

Due to the personal nature of our skin care products and commissions paid, returns are limited to the following circumstances.

1. CUSTOMER RETURNS AND REFUNDS
2. PRODUCT GUARANTEE—RETAIL CUSTOMER RETURNS
3. REFUND: A CUSTOMER CHANGES HER MIND OR HAS BUYER'S REMORSE

The federal government requires that every customer who places an order or makes a purchase from you must receive a copy of the Notice of Cancellation found on the back of the Guest Order Form. This gives the customer 3 business days from the time the order form is placed to cancel the order. If a customer does cancel within 3 days and you have already submitted the order to the company, call the Customer Care Department (417-724-9690).

If the purchase was made directly through the internet on behalf of the customer using the customer's credit card, the customer has 72 hours to request a refund in writing for a refund and credit to her card.

PROCEDURES FOR RETURNS DUE TO A MANUFACTURING DEFECT OR DAMAGE IN SHIPPING:

Products are manufactured and guaranteed to be in the condition as promised to the customers with the following conditions. (Once the return is approved, a new product will be sent out for you.)

1. Must report within 3 months of purchase and provide an order number.
2. Over $\frac{3}{4}$ of product must remain in the container. If signs of obvious tampering or neglect are present, (. i.e. sun damage, melted or destroyed products)the product will not qualify for an exchange
3. If the product is returned within 30 days from purchase, shipping expenses will be covered by Jordan Essentials. After 30 days from the invoice date, shipping fees will be at the expense of the customer or Consultant.
4. No returns will be accepted after 3 months of purchase date.
5. Shipping and handling is not refundable. The risk of loss in shipping for returned product shall be to the Consultant/customer.

PROCEDURES FOR RETAIL CUSTOMER RETURNS FOR PRODUCT EXCHANGES:

Jordan Essentials offers a 100% Satisfaction Guarantee for customers.

In the event a customer wants a refund for an item after the 72 hour buyer's remorse, a refund can be made within 45 days of the original order date.

- The guarantee is 45 days from the date of purchase
- Return shipping is at the expense of the customer.
- Return must be directly from the customer and may not be returned by the Consultant.
- Personal orders by Consultants may not use the satisfaction guarantee as a business owner. They may utilize damages or replacement orders. If a consultant wishes to return products, this is considered a buyback and will terminate their business agreement and they will no longer be a consultant which is irreversible.
- Items purchased as a set must be returned as a set. (Example: One item of the JJ Box may not be returned unless all items of the JJ Box are returned.)

Please do not confuse the satisfaction guarantee with a manufacturing guarantee which is a replacement for broken, spilled, damaged items which are replacement-eligible for 3 months. If reported in 30 days Jordan Essentials will pay the shipping fees; if after 30 days, the expense is on the consultant customer.

Full details and return form is posted on the Jordan Essentials website:

<https://jordanessentials.com/customer-returns/>

Missing an item or Received a damaged or incorrect item

Missing an item? Not the product you ordered? Did you receive a damaged product?

Request a refund for damaged or missing items using the back office service ticket system provided in the back office under Support Tickets. Exchanges are not made for Consultant purchases unless an item is a manufacturing defect.

See <https://jordanessentials.com/customer-returns/> for complete details on customer returns.

No refund or replacement of product will be made if the conditions of these rules listed above are not met.

INDEPENDENT CONSULTANT PURCHASES AND REFUNDS

Jordan Essentials Consultants are independent business owners. There will be times when Consultants want to sell excess inventory at a discount.

Consultants may not price any inventory less than 35% of the retail suggested price. If you do, it interferes with the ability of other Consultants to make a living selling the same product. These guidelines must be followed for the health of the Jordan Essentials Community.

Violation of this policy will have one warning. The second violation is termination.

1. Consultants may not sell on Ebay or any other 3rd party sites.
2. Sale prices may be posted on VIP, closed or private groups. No public posts for personal sales to consumers may be on a public forum. Company items on sale may be shared.
3. Inventory prices may not be reduced by more than 35%.

EXCESS INVENTORY PURCHASES AND PRODUCT EXCHANGES:

Consultants are not required to carry inventory of products or sales tools. Consultants who do so may find making retail sales and building a marketing organization somewhat easier because of the decreased response time in fulfilling customer orders or in meeting new Consultants' needs. Each Consultant must make her or his own decision with regard to these matters. In the event a Consultant should choose to purchase products either for inventory or directly on behalf of one of her or his personal customers, those products may not be returned or exchanged by the Consultant. To ensure that Consultants are not encumbered with excess inventory that they are unable to sell, such inventory may be returned to Jordan Essentials upon the Consultant's cancellation (terminating their agreement with Jordan Essentials and no longer be an active Consultant again). Products are not in resale condition after 6 months due to the nature of our personal care products. Out of date print materials will not be considered for return. The account will be terminated. **90%** of the retail sale price minus all bonuses and commissions including upline commissions will be deducted and shipping expenses will be the responsibility of the Consultant.

Jordan Essentials strictly prohibits the purchase of products in unreasonable amounts primarily for the purpose of qualifying for commissions, bonuses, or advancement in the Marketing and Compensation Plan. Consultants may not purchase more inventory than they can reasonably resell or consume in one month nor may they encourage others to do so.

Jordan Essentials encourages consultants to register customers and guests in their back office. Jordan Essentials reserves the right to request a list of purchasing customers from a consultant at any time. The list should include the customer name, items purchased and current contact information.

PURCHASE LIMITATIONS:

Consultants residing in the states of Georgia, North Dakota, Indiana, Michigan, and West Virginia are limited to \$495 in Consultant inventory at any given time of all types of products from Jordan Essentials and its related entities during the first six months of Consultant status. Permissible Consultant purchases shall be automatically modified to comply with the exemption requirements set forth in any state's laws regulating business opportunities.

RETURN OF INVENTORY AND SALES TOOLS BY A CONSULTANT:

Upon cancellation of a Consultant Agreement (permanently terminating your relationship with Jordan Essentials), the Consultant may return inventory and sales tools for a refund if she or he is unable to sell or use the merchandise. A Consultant may only return products and sales tools purchased by her or him that are in new/unopened and resalable condition. Once a Consultant has terminated the relationship with Jordan Essentials and requested a return of merchandise for a refund, the Consultant may not apply to become an Independent Consultant with the company ever again.

Upon receipt and acceptance of the products and sales tools, the Consultant will be reimbursed 90% of the net cost of the original purchase price(s), less shipping charges. If the purchases were made through a credit card, the refund will be credited back via paper check. The company shall deduct from the reimbursement paid to the Consultant any commissions, bonuses, rebates or other incentives received by the Consultant and her upline that were associated with the merchandise that is returned. This can take up to 4 weeks to process. NO products over 6 months from purchase will be considered in resale condition.

PROCEDURES FOR CONSULTANT RETURNS:

Independent Consultants are only eligible for returns of new and unused products and sales tools upon the termination of their agreement with Jordan Essentials. The Consultant will be refunded **90%** of retail minus any commissions, bonuses, rebates, or other incentives paid on the products to be returned. The Consultant may be wise to consider selling the products to the public or keeping for personal use.

Once a Consultant has terminated the relationship with Jordan Essentials and requested a return of merchandise for a refund, the Consultant may not apply to become an Independent Consultant with the company again. We do this to protect the health and integrity of the organization. We cannot allow Consultants to come and go in our organization as per the DSA regulations on Consultant agreements.

a) All New Consultant Kits, sales tools, products and merchandise must be returned **within 6 months of the original purchase date** by the Consultant who purchased the merchandise directly from Jordan Essentials.

b) All products to be returned must have a prior return authorization. This may be obtained by calling the Customer Care Department at 877-662-8669.

c) All returns must be shipped to Jordan Essentials, shipping prepaid. Jordan Essentials does not accept shipping-collect packages. The risk of loss in shipping for returned product shall be on the Consultant. If returned product is not received by the Company's Distribution Center, it is the responsibility of the Consultant to trace the shipment.

d) Products must be in resale condition as deemed by the Code Compliance officer. By being a part of the Jordan Essentials Company you agree that the Code Compliance Officer's final decision is acceptable when you signed your agreement.

No refund of product will be made if the conditions of these rules are not met.

We will offer to reship the order provided the Consultant/Customer pays 50% of the retail price and related shipping. (No Personal Volume will be assigned to the replacement order.)

A good rule to remember is we talk to people not about them as per the golden rule and the 1st value in the JE 10 core values. We suggest talking to Customer Service, the Training Team Staff, sending in a support ticket or talking to your own personal upline Director. This includes complaining about the company, its officers as well as programs and compensation.

Consultants are encouraged to keep accurate records. Additionally, Consultants agree to be aware of and abide by all federal, state, and local laws, taxation and regulations governing the sale or solicitation of the products or services marketed by Jordan Essentials, including but not limited to occupational licenses, solicitation licenses, business licenses, merchant licenses, or any other license or permit that may be required to perform any duties under the Consultant

Agreement. The naming of a Consultant in any injunctive or prohibitory administrative or court order, including in any consent decree, in connection with the Consultants misconduct as a Jordan Essentials Consultant or in connection with any Jordan Essentials related activity by such Consultant, shall constitute a rebuttable presumption of the Consultant's failure to operate such Consultant business in a lawful manner.

Jordan Essentials reserves the right to terminate any Independent Consultants agreement for any reason at any time.

SECTION 5: SPONSOR SUPPORT

When you sponsor your first person you are entering the leadership process. Leadership is your opportunity to help others realize their goals and dreams.

WHO IS A LEADER?

Every person who brings in even one person is starting the leadership process. They lead someone into a business opportunity. Weekly and monthly contact and support comes from the individual who does the sponsoring. When the sponsor is inexperienced; it is the responsibility of her Director to step in and support her as well as to build her confidence so she then in turn can become a leader herself. Consultants who sponsor and then no longer want the role of sponsor may contact the home office to have their team members moved to the active Consultant above them or to the leader the company feels is best for the individual.

WHAT IS A LEADER?

Being a leader means setting an example. Think of it as coaching, a good coach is careful about words, actions and examples. We will help you have a program that will train, motivate, and help anyone joining be able to see whatever dream she may have come true.

BUILDING YOUR TEAM THROUGH RECRUITING IS ESSENTIAL:

To keep a healthy team, you will need to keep adding new team members frequently. Personally recruiting will lead to personal rewards. The company offers many rewards and recruiting/sponsoring is just one way to help meet those goals that lead to rewards and exclusive trainings.

COMMUNICATION IS THE KEY TO SUCCESSFUL RETENTION OF TEAM MEMBERS:

Successful leaders will make themselves available to communicate frequently with their teams. Answering questions and offering encouragement and praise in the successes, no matter how large or small, will help support future success as well as teach her how to be a leader who cares. Find the good news and share it often.

Communication keeps your team in the know. They will not be surprised by a special or promotion deadline because their leader informs them of what is available. A newsletter or email to your team about their current level of success as compared to the past will set benchmarks for the team to reach higher and achieve more. Let them know their participation in the training calls is expected because you value their input.

Leaders who are not actively participating in leading their team may have their teams removed.

ATTENDING COMPANY TRAININGS:

As a leader you will want to have all the information you possibly can through knowledge and study to be able to help your team. Learning increases your level of comfort and you might just learn something to pass on that could change a life. Leaders are expected to attend all trainings, whenever possible.

LEADERSHIP EXPECTATIONS:

Leaders at all levels are expected to maintain a strong personal business through recruiting and sales. Leaders are expected to be the best example of an upline as possible. Leaders are expected to attend all trainings available to them, as well as hold training for their teams.

SPONSOR DISPUTES:

Consultant sponsorship is an important part of any direct sales company including Jordan Essentials. We honor that sponsor relationship and will keep the integrity of a downline organization.

Jordan Essentials recognizes the person whose name appears on the Consultant Agreement postmarked or otherwise electronically dated at the earliest date as the sponsor. Jordan Essentials reserves the right to review sponsoring practices.

TRANSFERS OF SPONSORSHIP:

Transfer of Sponsorship is not allowed under any circumstances. A Consultant may resign and after 90 day may re-join and choose a new Sponsor.

DECEASED CONSULTANT ADOPTION OF A TEAM:

A Consultant who passes away while holding an active title with Jordan Essentials can pass down her position to any family member she wills it to without any cost to her heirs. Notification to the home office is required.

SOLICITING CONSULTANTS FROM THE TEAMS OF OTHER JORDAN ESSENTIALS CONSULTANTS (CROSS RECRUITING):

Jordan Essentials strictly prohibits the solicitation of Consultants currently sponsored by another individual under the Jordan Essentials' program. Jordan Essentials also strictly prohibits Consultants from knowingly sponsoring or directly or indirectly helping others to sponsor into any other competing or non-competing sales organization or program. Cross-recruiting other Jordan Essentials Consultants or customers can result in suspension or termination of all Consultants involved. Jordan Essentials reserves the right to enforce this prohibition in connection with any other products or services that it may introduce after the effective date of this document.

NEGLECT AND UNHEALTHY ENVIRONMENTS:

You are required to treat all team members with ethical treatment and dignity. Neglect is defined as lack of contact through personal, phone or email contact and/or unavailability to your team. An unhealthy environment is defined as one that hurts individual Consultant and/or members of the corporate home office this includes statements that question the integrity of the company, Consultants and the Founder/ Owner of Jordan Essentials. The corporate home office Code Compliance Officer will deem all complaints as healthy or unhealthy and a final decision will be made known in writing after verbal conversations with the leader in question. All actions are the sole discretion of the corporate officer in charge of the case or complaint.

No one usually comes into the position of leadership and plans on neglecting or providing an unhealthy environment for their teams. The best way to ward off neglect and unhealthy attitudes and actions is to be proactive and speak with your upline and a corporate contact before a problem starts.

In the case of a leader not providing training, every opportunity will be made to contact the trainer to see why training and support is not being offered to a team. In the event a leader is incapacitated or unable to train, arrangements will be made on a case-by-case basis.

In the event a leader is unwilling to train, she will be contacted and offered the opportunity to maintain an Essential Consultant status and her team will be moved to a trainer to support and train her team.

A note on email: Having a team on e-mail is not leadership. E-mail is a reminder about your personal calls. If a team member misses the calls repeatedly, a monthly phone call is in order. Your job is to do all you can and then let the Consultant respond to that outreach. If they let you know they only want to be on the email list, that is a choice they make not you. If a Consultant asks to not be contacted, you as a leader become exempt from contacting requirements.

A new trainer may join with another trainer to train as a larger group as long as the relationship is mutual. A Success trainer would call in and attend the call with her team to provide support. Not participating or calling is grounds for code compliant investigation and may result in the team being reassigned to an active upline leader.

Please contact the Director of Training if you feel you have been neglected in any way or may be neglecting your team duties. Our desire is to support you as a leader.

LEADERSHIP CODE OF CONDUCT:

- I will support the people I bring into the company as a personal sponsor through training and education using the steps of training a new Consultant.
- I will be kind and considerate of team members' feelings.
- I will conduct myself as an agent of the company and will not discredit the company with derogatory remarks to team members.
- I will talk to a corporate officer in areas of conflict and needs for my team.
- I will keep a positive attitude when communicating with my team.
- I will give praise and recognition to my team regularly
- I will lead to the best of my ability.

Section 6: Commissions And Pay Plan

Your compensation plan has been designed to reward you for your efforts and that of your team.

The compensation plan rewards 5 Vital Behaviors

1. Personal sales
2. Personal sponsoring
3. Training
4. Building Team Leaders (Star 3)
5. Building Leaders (Directors)

Consultants may choose to place orders in their back office and purchase at an immediate 25% discount. Orders placed on the replicated website by the consultant and customer will have the 25% retail profit added the E-wallet immediately for your qualifying orders and customer orders. Sales volume bonuses, sponsor bonuses, and team commissions are deposited into your E-wallet on or by the 7th of the following month.

JORDAN ESSENTIALS' COMPENSATION PLAN DEFINITION OF TERMS & CONCEPTS

ACTIVE

A consultant is considered active when they have a current website subscription.

BONUS QUALIFIED

A Consultant must maintain at least \$200 Personal Volume (PV) to be considered bonus qualified for that period. If a Consultant is not bonus qualified in the period, they receive no commissions from their downline. However, they will receive personal retail commissions from their own personal purchases even if they are not bonus qualified. A Consultant's customer purchases count towards bonus qualified status.

BONUS QUALIFIED LEG (Q Leg)

A Bonus Qualified Leg consists of any first level Consultant and their entire downline where at least one person has a minimum \$200 Personal Volume (PV).

CAREER TITLE

A Consultant's career title is their recognition title or the highest title they have achieved. A Consultant's career title does not change unless they are promoted or demoted (see Demotion Policy), unlike a paid-as title, which may vary from month to month.

For example, Joanna met the requirements to promote to the title of Director in June. Her career title is now Director and will remain so until she promotes to a higher title or is demoted (see Demotion Policy). In July, she is paid-as a Director. Her career title and paid-as title are the same. In August, she is paid-as a Star 3 Team Leader. Her career title remains as a Director but her paid-as title for August is Star 3 Team Leader.

COMPRESSION (GENERAL)

When a Consultant is canceled and no longer part of the company, their downline is compressed to their upline filling the gap left by the canceled Consultant.

For example, Sarah had three legs: Joseph, Emma, and John. Sarah failed to meet the requirements to maintain her status as an upline Consultant and was therefore moved out of active downline. Because Sarah was moved, Joseph, Emma, and John, and their respective downline, were compressed up to Sarah's upline, Harry. Joseph, Emma, and John are now each considered legs to Harry (i.e. they now reside on his first level). This situation may occur if a Consultant cancels their contract, requests to no longer be in the company or has been terminated by the company.

COMPRESSION (DIAMOND DIRECTOR AND HIGHER)

If a Consultant that was paid-as a Diamond Director (DD) or higher in the last four periods is canceled (whether voluntarily or involuntarily), their downline will only be compressed under the following conditions:

1. If their Personal Sponsor has been paid-as a DD or higher at least once in the last four periods, then the downline will immediately be compressed up.
2. If their Personal Sponsor has not been paid-as an DD or higher at least once in the last four periods, then they will be given the following six periods to be paid-as an DD or higher at least twice. If the Consultant promotes to DD in the last of the six month period, then they will be given the following period to qualify as a DD again (to meet the 2 periods of being paid-as DD or higher).

- a. If the personal sponsor qualifies under these conditions, then the downline of the canceled Consultant will be compressed up upon the completion of the qualifications.
- b. If the personal sponsor does not qualify under these conditions, then the position of the canceled Consultant will remain permanently vacant.

Note: The term compression and roll-up are often used interchangeably within the industry. It is important to understand what an individual is referring to when they speak or ask about compression. For this reason, we have defined our use of these terms in this document.

CUSTOMER

A customer is an individual who purchases products for personal use and has not signed an agreement with the company. Customers are not allowed to sponsor (i.e. have a downline), do not receive commissions, and are not credited with volume. The volume from a customer's purchase(s) is credited to the Consultant who sponsored them.

DIRECTOR DEMOTION POLICY

Director and higher levels must be paid-as their Career title at least once every 6 months in order to keep their Career Title. If a Consultant is not paid-as their Career Title at least once within 6 rolling months their Career Title will be demoted to one level lower.

For example, if you qualify for your title in June, being month one, and you do not get paid as a Director for the 6 months afterward you will keep your career title until December. When commissions are run for December your title will be demoted.

Associates are not eligible to be a Success Coach or have the other privileges of Director such as at convention. Associate Directors Group volume will now roll up and count toward their upline Directors volume.

Diamond Directors and higher have the same Director 6 month qualification as other Directors and must maintain their higher title as well at least once per 12 rolling months.

DOWNLINE

All of the people below you are considered to be your team members.

DOWNLINE ANNUAL POLICY

To keep any downline team member, Consultants must have a minimum of \$400 PV in a 12-month period. If they fail to meet this requirement in any 12-month period, they will have their team reassigned to their sponsor and their personal record moved to a holding area within the company. Their record will be attached to the original sponsor; however, they will not be seen in the downline reports.

If a Consultant would like to be placed back into their sponsor's downline, they can request that at any time by contacting the home office. However, they will not get their previous title or downline back.

DOWNLINE VOLUME (DV)

The total Qualifying Volume (QV) from a Consultant and their entire downline organization. It includes ALL downline Consultants regardless of their titles and the Consultant themselves.

ELIGIBLE

A Consultant is considered eligible to receive a commission if they meet the Career Title requirements and qualify to be paid as the title for a particular payout. Eligibility does not mean a Consultant will receive the particular payout. To receive a payout, a Consultant must be both eligible and qualified. It is possible for a Consultant to be eligible but unqualified and likewise, is possible for a Consultant to be eligible but unqualified and likewise, is possible for them to be ineligible but qualified. Please also refer to the definition of Qualified. A Consultant must be both eligible and qualified to receive a particular payout.

ESSENTIAL QUALIFIED CONSULTANTS

Upon joining Jordan Essentials and being issued a Consultant ID number a Consultant is an Essential Consultant who is qualified.

GENERATION

A Generation is based on career title, regardless of level, and starts with a Career Title of Director or higher and includes everyone below them, down to but not including the next Career Title Director (or higher). The next Director or higher (based on Career Title) is the start of the next Generation. If a Director or higher is not paid-as a Director, they are still considered a Generation to their upline Director or higher.

GENERATION OVERRIDES

Paid-as Directors and higher may receive Generation Overrides on the Wholesale Volume (WV) from their downline Generations. For example, a Generation 1 would pay out on the first downline Director or higher title (based on Career Title) and all the people below them, down to but not including the next Director or higher (Career Title) which would be the start of Generation 2.

GOOD STANDING

A Consultant is in good standing when they have a rolling \$200 in Personal Sales over a 12 month period. Those who enrolled prior to October 2024, will have until September 20, 2025 to meet this requirement. Those joining after this date, will have the rolling 12 months from their join date.

GRACE PERIOD

When a Director or higher (Career Title) has a Consultant in their personal group promote to a Director (or higher) for the first time, thus breaking away for the first time, then in the two periods following the promotion, all of the upline, up to and including the first Director (or higher) based on Career Title, will only be required to have half of the required GV for their title. (They are also able to promote to a higher title using only half of the required GV.) Beginning with the third period following the promotion, they must again have the full GV required in order to be paid at that level. If a Consultant has more than one Consultant promoting to Director (or higher) in the same month or in back-to-back months (one following the other), then any overlapping Grace Periods will have a GV of \$0 for the upline. Please see also Group Volume (GV).

GROUP

A group consists of a Consultant themselves and their entire downline, down to but not including, the next Director (Career Title) or higher. This is also sometimes referred to as a “personal group” when talking about a specific Consultant and their group. This is also referred to as a “Team” or “Personal Team.”

GROUP VOLUME (GV)

Group Volume is the Qualifying Volume from the Consultant themselves and their entire downline, down to but not including the next Director or higher (Career Title). In the period that a Consultant promotes to a Director for the first time, their GV will be included in their upline’s GV for qualification purposes only, in that period. Beginning with the following period, the Grace Period applies.

GROUP VOLUME OVERRIDE (GVO)

Paid-as Directors and higher may receive a Group Volume Override on the Wholesale Volume (WV) of the sales of their personal group, including their own personal volume. If a Director or higher (Career Title) is not paid-as a Director or higher, then the Group Volume Override is not eligible to be paid

In the period that a Consultant promotes to a Director or higher, their upline Director or higher will receive a Generation Override instead of the Group Volume Override (meaning that they will be considered a downline Generation rather than part of the upline’s personal group.)

HOST

A host is an individual who brings business to you. The host invites guests, bringing new customers to you, more bookings to expand your business and potential new sponsors. Her

efforts are rewarded through host credits much like you as a Consultant receive a compensation plan for your efforts.

A host can host in a home, at a remote location, in a multi host situation (where you have more than one host at the party but one presentation) or a catalog show. The catalog show is where a host collects orders and shares about the JE products to her friends and family. Again she is bringing new business to you and is rewarded for the orders via the host Awards Program.

LEADERSHIP EXPECTATIONS

Leaders at all levels are expected to maintain a strong personal business through Recruiting and Sales.

LEG

A leg begins with a first level Consultant and includes all of the Consultants beneath them. A Consultant has as many legs as they have first level Consultants. For example, if Sally has five first level Consultants then she has five legs. Sarah is one of Sally's first level Consultants. Sarah, and her entire downline, is considered to be one leg to Sally.

LEVEL

The position a Consultant has in a downline relative to another upline or downline Consultant. Consultants personally sponsored (i.e. first level) are Level One. Those Consultants sponsored by Level One Consultants are Level Two, relative to the original Consultant. Customers are not considered when counting levels and do not occupy a position in a Consultant's genealogy.

LEVEL 1-4 OVERRIDES

Bonus Qualified Consultants that are paid-as a Star 1 Consultant or higher may receive a percentage on the Wholesale Volume (WV) from the sales of their downline through four (4) levels. The percentages and number of levels that a Consultant receives is based on their Paid-as Title and is regardless of the title of the people below them. If a Consultant is not Bonus Qualified, unqualified, or ineligible, then that Level Override will not roll upline. Please refer to the definitions of Bonus Qualified, Eligible, and Qualified.

MINIMUM COMMISSION CHECK

\$10 – no printed commission check will be issued less than \$10 for current consultants.

If a consultant resigns, a paper check will be issued if no ACH information is available.

PAID AS TITLE (ALSO REFERRED TO AS PAID-AS)

Each Consultant is paid at the title for which they qualify during the period. The requirements to be paid-as a title is the same as the requirements to promote to that title. If in any period they fail to achieve their Career Title Level, they are paid at the lower title to which they do qualify for during the period. They retain their Career Title but are paid as the title they actually qualify for.

PARTY

A party is defined as an event involving a host and guests.

PERIOD

A period is equal to an actual calendar month. Six periods would be six calendar months.

PERSONAL VOLUME (PV)

The total Qualifying Volume (QV) of a single Consultant from orders placed personally and by their personally sponsored customers (orders placed directly with the company by customers.)

POWER SELLER BONUS

Consultants that achieve a minimum PV in the period will be qualified to receive an additional percentage on their personal orders. The percentage will be paid on the Qualifying Volume (QV) of their orders and any customer orders they have. Please refer to the Power Seller Bonus table for specific volume requirements.

PROMOTE (PROMOTION)

A Consultant promotes to a new Career Title when they meet all of the qualifications for that title in the period. The promotion is effective the first day of the same period meaning that regardless of what day the promotion was actually qualified for, the new Career Title is effective for the entire period. For example, if a Consultant meets the qualifications for a Diamond Director on June 23rd, they “promote” to the title of Diamond Director for the entire period of June (effective June 1) and will be paid-as a Diamond Director for the entire period of June.

QUALIFIED

A Consultant is considered to be qualified if they meet the Paid-As requirements for a particular payout and/or title. A Consultant will only receive the payouts that they are both eligible and

qualified for. For example, a Consultant may be eligible for the Group Volume Override because they have a Career Title of Director. However, if they are paid as a Star 3 Team Leader or below, then they are unqualified for the bonus and would thus not receive it. In a similar manner, a Consultant may be qualified as a Star 3 Team Leader but ineligible to receive a Group Volume Override because that pays only to Directors and above.

QUALIFIED LEG

Qualified Legs require that at least one individual in the leg is qualified to be paid as a specific title position (or above) during the month. For example, to be a Director, one needs four Bonus Qualified Legs plus two legs of which must have at least one representative that is paid-as a Star 3 Consultant or higher. Qualified Legs depend on the monthly Paid-As Title.

QUALIFYING VOLUME (QV)

Each inventory item has both a Qualifying Volume (QV) and Wholesale Volume (WV) assigned to it. QV is used for Personal Volume (PV), Group Volume (GV), and Downline Volume (DV) calculations and is used solely to determine if the Consultant is qualified based on the terms of their respective title. The Power Seller Bonus is the only bonus that is paid based on the Qualifying Volume (QV) instead of the Wholesale Volume (WV). All other commissions and bonuses (other than Retail Profit) are paid based on Wholesale Volume (WV). The Qualifying Volume in this plan is equal to the Retail Price.

REINSTATEMENT POLICY

If a Consultant resigns, they may request reinstatement at any time and, if approved, will be reinstated under their original sponsor. Their downline organization will not be reinstated nor their previous title. If a Consultant wishes to join under a different sponsor, they must wait for a minimum of 90 days after termination before reapplying, without their former downline and title. If a Consultant does a buy back option they will not be able to be a Consultant again, ever.

RETAIL PROFIT

Consultants can receive a Retail Profit on their personal purchases and their customers' purchases, regardless of their Bonus Qualified status. Retail Profit is 25% of the purchase price of an item.

Example: An item with a purchase price of \$10 has a retail profit of \$2.50. It has a QV (Qualifying Volume or PQV/PV) of 10 and a Wholesale Volume (WV) of 7.50.

Note: Consultants purchase at the full Retail Price. Therefore, the Retail Profit is paid on the Consultant's personal orders as well as their customers' orders.

JUMP START BONUSES

Jump Start is a training and rewards program for a new Consultant in her first 90 days of business. The 1st day begins when she enrolls. All retail sales must be made within the time frame. Jump Start dates and sales volume are located in the Jump Start Info report in the Commissions drop down menu of the Online Business Center/Backoffice.

To earn the Bring a Friend sponsoring bonus the sponsor must be active with \$200 PV the month the new consultant achieves their Jump 2.

WHOLESALE VOLUME

Each inventory item has both a Qualifying Volume (QV) and Wholesale Volume (WV) assigned to it. Wholesale Volume (WV) is the volume on which commissions are paid. The Wholesale Volume will be equivalent to 75% of Retail price unless otherwise disclosed.

If a check is less than that amount, it will be added to the checks on the following months until the \$10.00 minimum is reached.

Stale-dated checks: Any check sent to a Consultant not cashed in 6 months will be considered a stale-dated check and will be null and void. Jordan Essentials must receive all inquiries within 30 days of the check's issue date. A request to reissue lost or missing checks must be made in writing and may take up to 30 days to be reissued. Returned checks for incorrect mailing address will be charged \$2.00 to resend the check to a new address.

3. Improper notification of change of address
