

ESSENTIAL SERUM BOOSTER WITH RETINOL

All skin types can use a boost against the appearance of aging! Essential Serum Booster with Retinol fights the early signs of aging as it supports your skin to reduce the appearance of fine lines and wrinkles. Retinol works deep down speeding up cellular turnover to reveal smoother skin and boosts the natural production of collagen.

Silky smooth, this serum boost may be used with your favorite Jordan Essentials serum or applied directly to the skin.

BENEFITS AND SUGGESTED USES

- Add 2 drops of the Serum Booster to your favorite Jordan Essentials Serum to gain the benefits of Retinol and enhance the benefits of the serum.
- Add 4 drops of the Serum Booster to clean fingertips and gently apply all over the face or to targeted areas for a deep treatment.
- Add a drop or two to areas of uneven skin tone to aid in balancing the tone and even out texture.

KEY INGREDIENTS

- Retinol: A derivative of Vitamin A, retinol aids in balancing skin tone and texture, does not clog pores, promotes the production of natural collagen, and helps fight the signs of aging.
- Aloe Leaf Juice: Soothing and hydrating to the skin. Helps repair the damages of exposure to wind and sun.
- Gluten- Free Wheat Germ Oil: It is a rich source of vitamin E, which helps reduce skin damage, fights free radicals that increase the appearance and signs of aging, support healthy collagen formation and helps maintain even skin tone.
- Organic Gotu Kola: Healthy ingredient that supports increasing antioxidant levels in newly formed skin cells and may help lessen the redness of scarring.
- Organic Dandelion: Helps protect the skin from environmental toxins and free radicals to maintain a younger look.
- Equisetum Arvense Extract (Horsetail): Horsetail can promote the healing of rashes and burns - such as mild sunburn or windburn, by acting as an antimicrobial and anti-inflammatory.
