

# FLAT Nancy

*Lets' see if we can get Nancy in all 50 states in September.*

Simply cut out the image of "Nancy", take a photo at your party or event.

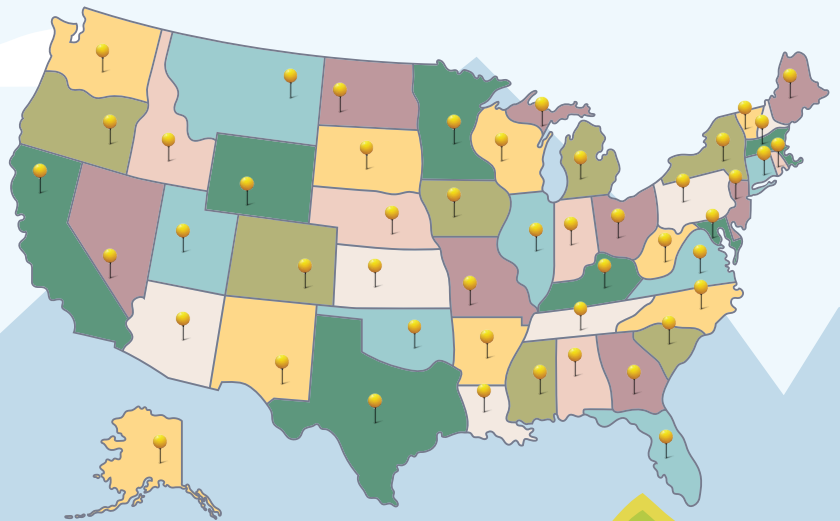

Look for the post in the Consultant Community and post your "Nancy" and tag it **#JEFlatNancy**.

We will add your pin to our map!

No printer - no worries! Save the image to your phone and have someone take a pic of you and your virtual Nancy!

***Let's fill the map with pins for Nancy.***

***Random drawings all month long as the map fills up!***
