

## Copy Paste Facebook Party –Wellness and Pampering

Use this as a basic outline for your party. You can mix and match images and posts from past parties too.

Template Tip: Do not copy and paste comments in red that you see at the top of each post. Just copy the text under each post title. Paste it into Facebook and then publish or schedule to your group. Be sure to personalize the post with specific info for your party and to meet your personality.

Be sure to change out the Weekly Special and go Live to launch and close your party. Engagement with your guests is key. Host coach and have your host post a couple of posts as well. 😊 Additional engagement posts can be found in the JEU >> Media Center.

Posts can be posted 3-4 over the course of three days or posted 3-5 minutes apart during a 45 minute party. You can kick off a party with a LIVE in Facebook and then end with a live as well.

Insert emojis to make the posts festive and fun. Posts can also be used as stand alone posts on your business page, Instagram and personal profile.

### Pre-Party Post

#### Why is what's in our products so important?

For two key reasons:

1. Our skin is our largest organ and what touches our skin affects all of our organs.
2. It takes just 26 seconds for what touches our skin to be starting to be absorbed into our bloodstream. The harmful effects of many chemicals used in skincare products are scary! And many include ingredients that prematurely age us or dry out our skin.

Jordan Essentials' products use healthy, nontoxic ingredients combined to provide safe, healthy alternatives to their chemically-laden counterparts.

### The Product that Started it All!

The Lotion Bar is a solid bar of lotion. It is made with beeswax to seal in the moisture and bonus – it doesn't harbor bacteria – naturally!

Jordan Essentials is also fresh batch manufacturing. Meaning we are not mass-producing lotion bars that sit on a shelf for years or in a port waiting to be off-loaded from a ship!

They are hand-poured in our facility right here in Nixa, MO and then delivered right to you!

No cargo ships on the open seas for these!

## Aromas and Fragrances for Everyone!

ESSENTIALS

If you are needing a good night's sleep, Magnesium may help. Studies find a balanced amount of Magnesium in the body, aids in healthy sleeping patterns.

### Why Magnesium?

Did you know 55% of Americans are deficient in magnesium? 😞

Our topical magnesium lotion comes both with and without 🌿 peppermint essential oil and is made with healthy ingredients like aloe, sunflower oil and jojoba oil along with magnesium.

These ingredients have been shown to help relieve those minor aches and pains, muscle spasms, eye twitches and support the body's need for magnesium.

- 👉 How many of you or someone you love suffers from occasional leg cramps, muscle spasms like eye twitches, or achy, sore muscles? They just may need a boost of magnesium!

## Magnesium

ARE YOU GETTING ENOUGH?

**55%**  
of Americans  
are NOT!

### Benefits of Topical Magnesium

Studies have proven that Magnesium absorbs more quickly and efficiently in topical form compared to oral supplements.

Some people have issues processing magnesium through food and oral supplements, but using a topical form is simple and completely bypasses the digestive tract!

With a topical, you can apply it right where you need it. Sore leg muscles? Apply it right to the spot!

**Magnesium Fun Facts:**

The cells of a healthy heart contain ten times the amount of Magnesium than what is found in the blood.
