

LIP BUTTER

Emollient Butter to help moisturize and wrinkle reducers is the all-over best care for your lips! Non-toxic and great for kids too! Use as a daily moisturizer for your lips. It provides the all over best care for your lips.

KEY INGREDIENTS

- Beeswax is nourishing, hydrating and moisturizing. It doesn't clog the pores, allowing the skin to breathe while it traps moisture, helps reduce dryness, and attracts water molecules to help with hydration.
- Coconut Oil is an abundant source of Lauric Acid, a fatty acid known for its antimicrobial and moisturizing properties. Aside from its anti-aging and skin-healing benefits, it also may stimulate the production of collagen, and its Vitamin E content may help protect the skin from sun damage.

BENEFITS AND SUGGESTED USES

- Apply to cracked, dry lips for soothing and healing.
- Carry in purse or backpack to use throughout the day.
- Ideal to apply before outdoor activities to seal in moisture.
