

## MEN'S COLLECTION

Men need healthier skin care solutions too! Our men's line is the perfect, every day healthy choice and a great gift for every guy you love. All products are scented with our signature masculine fragrance of Bergamot and Sandalwood.

### MEN'S SHEA BODY BUTTER

Heavy-duty moisture for dry skin.

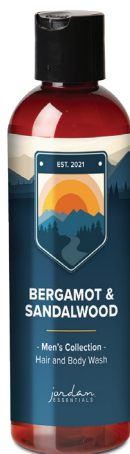

### MEN'S BODY SCRUB

Deep clean for use in the shower, tub or at the sink. A little gritty for a whole lot clean.

### MEN'S GLYCERIN BAR SOAP

For head-to-toe cleansing, glycerin soap is a healthy alternative to chemically-laden, perfume bar soaps. Use as a shaving bar, body soap, or hand soap!

### MEN'S HAIR & BODY WASH

For the guys that love simplicity, this is the one for them! This Bergamot & Sandalwood all-in-one body wash doubles as a shampoo too!

### MEN'S DEODORANT

Jordan Essentials' deodorants are made with non-toxic ingredients that support the body's natural processes while keeping you fresh and odor-free.

### MEN'S BEARD OIL

Keep beards soft and conditioned with specially-formulated beard oil. Deep, rich conditioning prevents dryness and keeps beards silky soft.
