

BASIC FACE CARE STEPS:

Cleanse: Daily

GENTLE CLEANSER FOAMING WASH

- Wet hands with warm water and place a small amount of Gentle Cleanser on Fingertips or Facial Brush and gently work into a lather on the face. Rinse with tepid water.

Exfoliate: Weekly

GENTLE EXFOLIANT SPA POLISH

- Gently buff & polish your face with fingertips or Facial Brush in circular motions, your face will enjoy renewed circulation and sloughing off dead skin cells.

Treat & Mask: Weekly

DETOXIFYING CLAY MASK, PURIFYING CHARCOAL MASK, ACNE SUPPORT GEL

- Apply liberally to cleansed skin. Leave on for approximately 10 minutes. Mist with Toner to keep it moist, if needed. Remove mask gently with tepid water. Avoid eye area and lips. Use as a spot blemish treatment!

Tone & Hydrate: Daily

TONER MIST

- Spritz Toner Mist after cleansing or detoxifying when skin is exposed to extreme heat or sun exposure. Allow to air dry.

Moisturize: Daily

DAILY MOISTURIZER, RED WINE MOISTURIZER, ACNE SUPPORT MOISTURIZER

- Apply daily as a final step in your face care routine.
