

SHAVING CREAM

Botanical blend that leaves the skin soft, smooth, and conditioned while creating a velvety barrier that helps smooth over the skin for a close and comfortable shave. Jordan Essentials Shaving Cream provides an important moisture barrier that helps saturate the skin and protect from razor burns or irritation.

KEY INGREDIENTS

- Coconut Oil is deeply nourishing to the skin.
- Cocoa Butter is high in fatty acids, which helps to hydrate and nourish the skin.
- Shea Butter is softening to the skin with anti-inflammatory properties.
- Aloe is soothing and nourishing, making it the perfect addition to our Shaving Cream.
- Calendula offers soothing benefits and may help with skin irritations and rashes.
- Botanical blend of Lavender, Orange Peel, Lemon Peel, Cranberry, Pineapple, Papaya, and Bilberry Extracts offer vitamins, nutrients, and fragrance.

BENEFITS & SUGGESTED USES

- Rich, buttery, foam-free razor buffer.
- Helps minimize razor bumps, burns, and overall discomfort while leaving skin feeling soft, smooth, and conditioned.
- For best results, apply Jordan Essentials Salt Scrub prior to shaving to exfoliate the skin.
- Follow up your shave with your favorite Jordan Essentials Moisturizer.
