New streamlined bundles for host awards!

SIMPLE HOST CHOICE LIST UPDATED

We know most hosts choose the same collections. To simplify rewarding all these amazing benefits, we have preset collections for hosts to choose from for the following collections:

- **TRIO OF STICKS**
- **STICK, SPRAY & ROLL TRIOS**

EXAMPLE:

If a Host wants Renew, Sleep and Energy Sticks as a Trio of Sticks, they would not be able to order the Trio as a host half-price item or use host credit to choose it.

SOLUTION:

The host may order the Trio of Sticks with rewards and use host credit for the additional Helio Stick. Or, they could order each stick individually using host rewards and choose another item for the remaining rewards.

We know this is not the ideal setup, however, we know with the growing number of parties, new Jordies, and the growing volume of business, it can save thousands of hours.

Thank you for your cooperation. Please do not send in support tickets, substitutions will not be allowed.
